

2017 PSOC....What to Show at Monthly Meetings

This chart shows the dates of monthly meetings and what to show at each meeting. Pictures for any assignment can be taken any time during the year 2017, as long as the images fit the assignment for the meeting in which you are showing them. For example, the March assignment ‘Architecture’ will be shown at the April 27th meeting. You can shoot the photos for that meeting either from the March ‘Hsi Lai Buddhist Temple’ field trip or anytime you have the opportunity to do so during 2017. There will also be “shoot-ahead” opportunities on the field trip schedule such as ‘San Diego Safari Park’ in April where you can shoot-ahead for the October assignment ‘Nature (fauna)’ to be shown at the November 16th meeting.
