

2018 PSOC...What to Show at General Meetings

This chart shows the dates of general meetings and what to show at each meeting. Pictures for any assignment can be taken anytime during the year-end 2017 and year 2018, as long as the images fit the assignment for the meeting in which you are showing them. We ask members to submit current work for the meeting critiques. Assignments are planned so as to be coordinated with field trip locations. Pictures taken on field trips need not be assignment related in order to be shown for critique at the meetings.
